## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 45,46,47,48,49 and 50 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The independent claim 39 claims the illustrations as being detachably connected to the blanket. Then the dependent claims claim attachments on the blanket that are permanent. Therefore, the exact type of attachment is not clear.

Claims 39,41 and 44 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 39,41 and 44 claim illustrations on the blanket. However it is not clear as to how the illustrations are provided on the blanket since they have not been claimed as being embroidered, printed etc.

### ***Specification***

The specification is objected to as failing to provide proper antecedent basis for the claimed subject matter. See 37 CFR 1.75(d)(1) and MPEP § 608.01(o). Correction of the following is required: There is no support in the specification for the term "first-fold illustration" etc. Only the term "first illustration" etc. has been used. The same terminology must be used throughout the specification.

***Response to Arguments***

Applicant's arguments filed 10-07-05, with respect to the prior art rejection have been fully considered and are persuasive. The prior art rejection of 4-5-05 has been withdrawn.

Claims 1-38 have been withdrawn and should be cancelled. The Amendments to claims 39,41 and 44-50 have now been entered. Claims 40,42 and 43 have been cancelled. The withdrawn claims 1-38 are still present and should be formally cancelled.

Claims 39,41 and 44-50 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
